### ***BRANDENBURG PROPERTIES EXPANDS PROPERTY PORTFOLIO CAMPBELL, CA.***

On Monday, March 30, 2015, San Jose-based Brandenburg Properties further expanded its property portfolio in Campbell, CA by acquiring what is commonly known as the "Staples Property" located at 500 E. Hamilton Avenue near the corner of E. Hamilton Avenue & Sylmar at Highway 17. "We're long term real estate investors in the valley—over 50 years now—and certainly pleased with our recent acquisition of the Staples property joined with our earlier acquisition of its next door neighbor, the Shell branded site" said Bill Baron, a Partner at Brandenburg. Presently, the 500 E. Hamilton Avenue site is home to a long time operating Staples store. The Seller was SR Fresh Metro, LP. SRS Real Estate—Bruce Frazer and Randol Mackley represented both buyer and seller in the transaction.

With this addition, Brandenburg Properties owns and manages over 100 properties in 6 US states and in the province of British Columbia, Canada. Throughout its over 50 year history, Brandenburg has participated in creating nearly \$4.5 Billion dollars in real estate valuation through acquisition, entitlement and construction ([www.brandenburg-properties.com](http://www.brandenburg-properties.com)).
